

Milwaukee Alumnae Chapter of Sigma Alpha Iota

Summer 2017

Editor: Martha Dodds Stoner

A Message from President: Tammy Enevold,

Dearest Sisters,

It has indeed been an honor to serve as president of the Milwaukee Alum Chapter these past four years. I appreciate so much all your love, encouragement and support.

Summer brings beautiful weather, outdoor concerts and several opportunities to see each other and catch up on our various exploits. Don't hesitate to bring a guest or two!

Don't forget your sisters that cannot get out as often. Remember them with a card, a call or a visit.

Please keep each other in your prayers, as I will you.

All My Love,

Tammy

Province Day 2017

Tammy, Suzanne, Cathie, Martha and, of course, Marie went to Province Day this year at Lawrence. It was held in their new Student Center which is on the bluff overlooking the river and is beautiful. There was a very large group there. Lots of women from Theta Iota and Rho and, of course, the host chapter Xi.

Representatives from Madison and Milwaukee. This year is the 100th anniversary of Xi, so very exciting. They are making plans for a celebration in the fall. The Dean of the Music School talked in the morning about women in music and the unsung gifts that they have given. In the afternoon we had a high energy presentation by a professor. It was so “high energy” that I don’t know if I can tell you what it was about! We were exhausted! The weather was lovely so the drive was delightful with friends to converse and laugh with. Suzanne played her piccolo for the musical. All together a lovely day!
